### Superintendent's Highlights

Ron E. Hopkins is pleased to report that my first year as Superintendent of the Marsing Joint School District #363 was a positive and productive endeavor. We were proud of the effort of district personnel, as well as community members, on our District Improvement Plan. We were very proud of the entire districts efforts on our first Multicultural Day Celebration. The event was very positive and productive. The children of our district had the opportunity to learn many different cultures, and the committee was able to provide two \$500.00 scholarships to graduating seniors on funds that were raised. Being able to honor all the cultures was very important district personnel.
